

BACKGROUND

The production of the following Guide Forms and General Information is an initiative which began in 2012/2013, as a collaborative effort, by the Office of the Registrar, The Law Association of Trinidad and Tobago and Senior Probate Practitioners with a view to addressing the concerns of practitioners when making applications at the Probate Registry.

Based on discussions, it was noted that the issues raised and the queries being issued, could be addressed by providing members of the profession with guide forms and general information which took into account the applicable legislation, rules and procedure by which staff at the Probate Registry is guided.
